Letter From the Director

Dear Parents,

Happy New Year!

I hope everyone enjoyed winter break. We are looking forward to continuing our year at LCNS with many new and exciting events.

First semester lunch buddies ends on Thursday, January 14 and second semester begins without interruption the next week. Anyone already enrolled in Book Club, Movin' with Amigos,or Eagles, you are signed up for the year and do not need to do anything. **Anyone interested in enrolling for Lunch Buddies, Book Club, Movin' with Amigos or Eagles, there is space available in some classes so please let me know**.

The winter season is a wonderful time for children to explore the outdoors, but being prepared for the weather is half the battle. Please send your children to school with the appropriate winter clothing, which includes hat, mittens, coat, snow pants, and boots. Children without boots or snow pants will not be allowed to play in the snow. The On My Own class as well as the 3's need to come to school dressed in their outdoor clothing. The pre-k will go out at the end of their day. Please label all winter belongings and having an extra bag to carry those items in is very helpful. If the temperature is below 25 degrees we **might** not go outside. However, come prepared for outdoor play on a daily basis because the weather changes quickly and we try hard to get outdoors even for only a short time if possible.

Reminder to dad about Dad's Day at LCNS! Wednesday, February 3 for 3's and pre-k; Thursday, February 4 for OMO students. Dad will come to school with their child and spend about 45 minutes doing a project and having a snack. Once they are done with snack, dad will go and the students will have the rest of the day as usual at school.

Warmest regards,
Amy Morrissey
Director, LCNS
