7:30pm

April 13
No school—staff
meeting and teacher
appreciation lunch

April 21
Art Night for Pre-k
families 7:00pm

April 30
LCNS Fundraiser

Dear Parents,

I'd like to thank all the dads who were able to attend this year's Dad's Day celebration. We had a wonderful turnout of dads, uncles, and grandpas and the children loved making a project and sharing a special snack.

As the year is quickly moving along our current board members are starting to think about their role in next year's board. Some of our members have served on the board for two years or longer and are graduating off of the board at the end of the school year. Anyone who is interested in volunteering please let me know and I would be happy to have you talk to someone about the specific jobs that are open. The board is a great way to meet new people and use some of your hidden talents in an effort to keep our wonderful school running effectively.

The board currently is working hard on securing items for our annual fundraiser. Please save the date for a fun evening event on Saturday, April 30, 2016. If you have any connections with local businesses or would like to donate an item for our silent auction, please contact the office or send an email to me and we will happily add it to our wonderful list of goodies. Every donation that comes in will hopefully mean more dollars for our school to use on capitol items such as playground equipment or classroom supplies that directly benefit our students and help to keep tuition costs at LCNS as low as possible. Don't forget to invite your friends and get ready to enjoy a night filled with good food, drink, awesome auction items, and lots of fun!

March comes in like a lion and hopefully goes out like a lamb so please continue to dress your children appropriately for outdoor play. Even as the temperatures rise and the snow melts, please send boots because the ground is muddy. The On My Own children and the 3's will continue this month to go outdoors during the first part of their day. The pre-k goes out at the end of their day. After spring break we will make the switch and the pre-k will begin their day with outdoor play and the OMO and 3's will go out at the end of their day. As always, please feel free to contact me with any questions or concerns.

Warmest regards,
Amy Morrissey
Director, LCNS
