Last Movin with Amigos class

May 19:

Last lunch buddies

May 20:

Last Eagles class

May 21:

**Pre-k Graduation-1pm
All school carnival
1:30-3:00pm**

May 26:

Last day of OMO

May 27:

Last day 3's and pre-k

Dear Parents,

May is already here and we are very proud of all of our students at LCNS. It has been a successful year filled with growth, discovery, friendship and learning. I would like to take the time to thank everyone for all the support throughout the year. All schools, but especially the earliest in education, need devoted parents to be able to provide the best experiences for their children and we are so lucky to have many dedicated parents here at LCNS!

Our annual fundraiser was a huge success! Thank you to everyone, especially the fundraising team, for gathering sponsors, procuring items, donating items, donating experiences, and giving a lot of time and energy to make it a wonderful night. The LCNS staff and board of directors will have time to evaluate the needs and wants of our pre-school programs and use some of these extra funds towards making LCNS even better.

Some of our students have birthdays in the summer and if you would like us to celebrate with your child at LCNS before the school year ends, please do not hesitate to choose a day with your teachers. Also, we are looking forward to celebrating our moms this month. Moms, aunts, grandmothers, and special caretakers are all invited. The On My Own class will celebrate with mom on Tuesday, May 3rd. The 3's classes will celebrate on Wednesday, May 4th and the pre-k classes will celebrate on Thursday, May 5th.

During the year we like to work with the students on all school activities and let them experience these units every year as they grow and move up in our school. In January we worked in each classroom on Goldilocks and the Three Bears. The students in each program read different versions of the story, had math, drama, and art activities for the unit, and recreated the story in different ways in their classroom. This month, our whole school will study the wonderful world of Eric Carle. Each program will read different books from this wonderful author and enjoy his descriptive stories and try and recreate some of his awesome illustrations. Make sure at the All School Carnival you get the chance to view the children's unbelievable celebration of Eric Carle.

Our end of the year celebration will be our annual Pre-K Graduation and All School Carnival. Every year we like to take a special moment to honor our pre-k students for finishing their preschool years and preparing for their next step in education. Although we will miss them dearly, we are confident they are ready for kindergarten and all the challenges ahead of them. Our pre-k families are urged to be prompt for graduation by arriving to school at **12:45 on Saturday, May 21**. We will begin a short ceremony at 1:00 and then **celebrate with all families of LCNS with a carnival from 1:30-3:00**. Please mark your calendars and plan to attend this fun end of the year celebration!

If you are enrolled for next year, summer packets will arrive after July 15th. We will inform you of a play date here at school to pick up the packets and see some old friends again or if you cannot make that day we will mail you the packet. As always, if you have any questions or concerns, please feel free to contact me anytime through voicemail or email.

Have a happy and safe summer!

Warmest regards,
Amy Morrissey
Director, LCNS
