Letter From the Director

Dear Parents,

Thank you for attending conferences with your teachers. Hopefully you were enlightened with an update on your child and can feel confident that the rest of the school year will be spent working on the goals set forth. Please feel free at any time to contact your teachers or myself if you have any questions or concerns.

Thank you to all the board members and volunteers, especially Jen Hablewitz, our Book Fair Chair this year, who worked and helped organize our annual book fair. It was a very successful fair and it continues to provide quality books to our families while delivering new books to our school library. Yay for books!!

Hopefully all of our LCNS families registered on November 16th for next year's preschool programs because Open Registration for outside families began December 1st. Registration payment was due by Wednesday, November 30th at 3pm to save your child's classroom spot. If you have any questions or concerns about classes for next year please feel free to contact me at any time. We are excited to offer for next fall the 3's a chance to come to school 5 afternoons a week along with our regular 3-day program.

The winter **Music programs and parties will take place on Wednesday, December 14th for the 3's and pre-k classes and on Thursday, December 15th for the On My Own class.** Mrs. Cohen and the children will be proud to present some of their favorite songs, chants, and poems that they have been busy learning all throughout the first semester. Parents, siblings, and any other family members are welcome to attend. Please look to your classroom teachers' news for exact times.

I want to remind Dads of our annual **Dad's Day celebration in February.** We invite our dads to come to school on Wednesday, February 8th for 3's and pre-k and Thursday, February 9th for the On My Own class. It usually lasts around 45 minutes. Dads come to school with their child for a project and a snack and after dad leaves we continue with the rest of our typical day. If dad cannot make it and grandpa or an uncle or close male family friend wants to attend instead they are welcome. Please no moms. Mom you will have your special day in May!

All the staff at LCNS want to wish you and your family a safe, healthy, and happy Holiday Season.
